The Board encourages employees and third parties who believe they or others have been subject to discrimination to promptly report such incidents to designated employees.

The Board directs that verbal and written complaints of discrimination shall be investigated promptly, and appropriate corrective action be taken when allegations are substantiated. The Board directs that any complaint of discrimination brought pursuant to this policy shall also be reviewed for conduct which may not be proven discriminatory under this policy but merits review and possible action under other Board policies.

Confidentiality

Confidentiality of all parties, witnesses, the allegations, the filing of a complaint, and the investigation shall be handled in accordance with this policy and the district's legal and investigative obligations.

Retaliation

The Board prohibits retaliation against any person for making a report of discrimination or participating in a related investigation or hearing, or opposing practices the person reasonably believes to be discriminatory. A complaint of retaliation shall be handled in the same manner as a complaint of discrimination.

Definitions

Discriminatory Harassment

Harassment by students, employees or third parties on the basis of race, color, age, creed, religion, sex, sexual orientation, ancestry, national origin, marital status, genetic information, pregnancy or handicap/disability is a form of discrimination and is subject to this policy. A person who is not necessarily an intended victim or target of such harassment but is adversely affected by the offensive conduct may file a report of discrimination on his/her own behalf. [\[8\]](#)[\[15\]](#)[\[16\]](#)[\[17\]](#)[\[18\]](#)[\[19\]](#)

For purposes of this policy, **harassment** shall consist of unwelcome conduct such as graphic, written, electronic, verbal or nonverbal acts including offensive jokes, slurs, epithets and name-calling, ridicule or mockery, insults or put-downs, offensive objects or pictures, physical assaults or threats, intimidation, or other conduct that may be harmful or humiliating or interfere with a person's work performance and which relates to an individual's or group's race, color, age, creed, religion, sex, sexual orientation, ancestry, national origin, marital status, genetic information, pregnancy or handicap/disability when such conduct is:

1. Sufficiently severe, persistent or pervasive; and
2. A reasonable person in the complainant's position would find that it creates an intimidating, threatening or abusive work environment such that it deprives or adversely interferes with or limits an individual or group of the ability to participate in or benefit from the services, activities or opportunities offered by a school.

For purposes of this policy, **sexual harassment** shall consist of unwelcome sexual advances; requests for sexual favors; and other inappropriate verbal, nonverbal, written, electronic, graphic or physical conduct of a sexual nature when:

1. Submission to such conduct is made explicitly or implicitly a term or condition of an employee's status; or
2. Submission to or rejection of such conduct is used as the basis for employment-related decisions affecting an employee; or
3. Such conduct is sufficiently severe, persistent or pervasive that a reasonable person in the complainant's position would find that it unreasonably interferes with the complainant's performance at work or otherwise creates an intimidating, hostile, or offensive working environment such that it alters the complainant's working conditions.

Delegation of Responsibility

In order to maintain a program of nondiscrimination practices that is in compliance with applicable laws and regulations, the Board designates the Director of Special Education/Customized Services as the district's Compliance Officer. All nondiscrimination notices or information shall include the position, office address, telephone number and email address of the Compliance Officer.

The Compliance Officer shall publish and disseminate this policy and complaint procedure at least annually to students, parents/guardians, employees and the public to notify them of where and how to initiate complaints under this policy.

The Compliance Officer shall be responsible to ensure adequate nondiscrimination procedures are in place, to recommend new procedures or modifications to procedures and to monitor the implementation of nondiscrimination procedures in the following areas:

1. Review - Review of personnel practices and actions for discriminatory bias and compliance with laws against discrimination to include monitoring and recommending corrective measures when appropriate to written position qualifications, job descriptions and essential job functions; recruitment materials and practices; procedures for screening applicants; application and interviewing practices for hiring and promotions; district designed performance evaluations; review of planned employee demotions, non-renewal of contracts, and proposed employee disciplinary actions up to and including termination.
2. Training - Provision of training for supervisors and staff to prevent, identify and alleviate problems of employment discrimination.
3. Resources - Maintain and provide information to staff on resources available to alleged victims in addition to the school complaint procedure such as making reports to the police, available assistance from domestic violence or rape crisis programs, and community health resources including counseling resources.
4. Complaints - Monitor and provide technical assistance to building principals or designees in processing complaints.

The building principal or supervisor shall be responsible to promptly complete the following duties upon receipt of a report of discrimination or retaliation from employees or third parties:

1. If the building principal or supervisor is the subject of the complaint, refer the complainant to the Compliance Officer to carry out these responsibilities.
2. Inform the employee or third party about this policy including the right to an investigation of both verbal and written complaints of discrimination.
3. Provide relevant information on resources available in addition to the school complaint procedure such as making reports to the police, available assistance from domestic violence and rape crisis programs, and community health resources including counseling resources.
4. Immediately notify the Compliance Officer of the complaint. The Compliance Officer shall assess whether the investigation should be conducted by the building principal, another employee, the Compliance Officer or an attorney and shall promptly assign the investigation to that individual.
5. After consideration of the allegations and in consultation with the Compliance Officer and other appropriate individuals, promptly implement interim measures as appropriate to protect the complainant and others as necessary from violation of this policy during the course of the investigation.

Guidelines

Complaint Procedure – Employee/Third Party

Step 1 – Reporting

An employee or third party who believes s/he has been subject to conduct by any student, employee or third party that constitutes a violation of this policy is encouraged to immediately report the matter to the building principal or supervisor.

Any person with knowledge of conduct which may violate this policy, is encouraged to immediately report the matter to the building principal or supervisor.

If the building principal or supervisor is the subject of a complaint, the employee or third party shall report the incident directly to the Compliance Officer. The complainant or reporting employee may be encouraged to use the district's report form, available from the building principal, supervisor or Compliance Officer, or to put the complaint in writing; however, oral complaints shall be accepted, documented and the procedures of this policy implemented. The person accepting the verbal or written complaint may provide factual information on the complaint and the investigative process, the impact of choosing to seek confidentiality and the right to file criminal charges. In all other respects, the person accepting the complaint shall handle the report objectively, neutrally and professionally, setting aside personal biases that might favor or disfavor the complainant or those accused of a violation of this policy.

Step 2 – Investigation

Where an attorney is not used to conduct an investigation into a discrimination complaint, only individuals who have received basic training on the applicable law, this policy and how to conduct a discrimination investigation shall be authorized to conduct an investigation of a complaint made pursuant to this policy.

The investigator shall work with the Compliance Officer to assess the anticipated scope of the investigation, who needs to be interviewed and what records may be relevant to the investigation.

The investigator shall conduct an adequate, reliable and impartial investigation. The complainant and the accused shall be provided the opportunity to present witnesses and other evidence during the course of the investigation. When the initial complaint involves allegations relating to conduct which took place outside of school or school-sponsored activities, the investigation may include inquiries related to these allegations to determine whether they resulted in continuing effects such as harassment in school settings.

The investigation may consist of individual interviews with the complainant, the accused, and others with knowledge relative to the allegations. The investigator may also evaluate any other information and materials relevant to the investigation. The person reporting the alleged discrimination, parties, parents/guardians and witnesses shall be informed of the prohibition against retaliation for anyone's participation in the process and that conduct believed to be retaliatory should be reported. All individuals providing statements or other information or participating in the investigation shall be instructed to keep the matter confidential and to report any concerns about confidentiality to the investigator.

If the investigation reveals that the conduct being investigated may involve a violation of criminal law, the investigator shall promptly notify the Compliance Officer, who shall promptly inform law enforcement authorities about the allegations.

The obligation to conduct this investigation shall not be negated by the fact that a criminal or child protective services investigation of the allegations is pending or has been concluded. The investigator should coordinate with any other ongoing investigations of the allegations, including agreeing to requests for a short delay in fulfilling the district's investigative responsibilities during the fact-finding portion of a criminal or child protective services investigation. Such delays shall not extend beyond the time necessary to prevent interference with or disruption of the criminal or child protective services investigation.

Step 3 – Investigative Report

The investigator shall prepare and submit a written report to the Compliance Officer within twenty (20) days of the initial report of alleged discrimination, unless the nature of the allegations, anticipated extent of the investigation or the availability of witnesses requires the investigator and the Compliance Officer to establish a different due date. The parties shall be notified of the anticipated date the investigative report will be completed and of any changes to the anticipated due date during the course of the investigation.

The report shall include a summary of the investigation, a determination of whether the complaint has been substantiated as factual, the information and evaluation that formed the basis for this determination, whether the conduct violated this policy and any other violation of law or Board policy which may warrant further district action, and a recommended disposition of the complaint. An investigation into discriminatory harassment or sexual harassment shall consider the record as a whole and the totality of circumstances in determining whether a violation of this policy has occurred, recognizing that persistent and pervasive conduct, when taken together, may be a violation even when the separate incidents are not severe.

The complainant and the accused shall be informed of the outcome of the investigation, including the recommended disposition within a reasonable time of the submission of the written report. The accused shall not be notified of the individual remedies offered or provided to the complainant.

Step 4 – District Action

If the investigation results in a finding that some or all of the allegations of the complaint are established and constitute a violation of this policy, the district shall take prompt, corrective action designed to ensure that such conduct ceases and that no retaliation occurs. The district shall promptly take appropriate steps to prevent the recurrence of the prohibited

conduct and to address the discriminatory effect the prohibited conduct had on the complainant and the school or school program environment. District staff shall document the corrective action taken and, where not prohibited by law, inform the complainant. The Compliance Officer shall follow up by assessing the effectiveness of the corrective action at reasonable intervals.

If an investigation results in a finding that a different law or Board policy was violated separately from or in addition to violations of this policy, or that there are circumstances warranting further action, such matters shall be addressed at the conclusion of this investigation or through disciplinary or other appropriate referrals where further evaluation or investigation is necessary.

Disciplinary actions shall be consistent with Board policies and administrative regulations, district procedures, applicable collective bargaining agreements, and state and federal laws.

Appeal Procedure

1. If the complainant or the accused is not satisfied with a finding made pursuant to the policy or with recommended corrective action, s/he may submit a written appeal to the Compliance Officer within fifteen (15) days. If the Compliance Officer investigated the complaint, such appeal shall be made to the Superintendent.
2. The individual receiving the appeal shall review the investigation and the investigative report and may also conduct or designate another person to conduct a reasonable supplemental investigation to assess the sufficiency and propriety of the prior investigation.
3. The person handling the appeal shall prepare a written response to the appeal within twenty (20) days. Copies of the response shall be provided to the complainant, the accused and the investigator who conducted the initial investigation.
