The Riverview Junior Senior High is offering to provide students with the opportunity to have school email accounts in the 7th and 8th grade. These accounts are for **academic purposes only**. A school email address is required for access to Office 365 (Word, PowerPoint, OneDrive, etc.), a service that is free for all of our students to use on up to 5 devices. Our goal in offering this service is to provide students with the communication and productivity tools necessary to succeed in the modern world. These email accounts are to be used for educational purposes only, as stated in the Acceptable Use Policy #815. The students email accounts are not to be considered private.

Abuse of email accounts will result in disciplinary action to be determined by school procedures and administration. The account can be suspended if any inappropriate use is suspected and that action will be handled by school administration.
