

Audio/Video on School Buses

On July 28, 2014, the Riverview School District Board of School Directors adopted Policy 810.2 Transportation – Video/Audio Recording. This policy authorizes the use of Video/Audio recording on all district-owned, operated, or contracted school buses or school vehicles. According to the policy, “The use of video and audio recording equipment supports efforts to maintain discipline and to ensure the safety and security of all students, staff, contractors and others being transported on district-owned, operated, or contracted school buses or school vehicles.”
