

Employee Assistance Program, Personal Health Partners, & Find a Doctor

The **EAP** provides employees and family members with **free** and **confidential** help in dealing with personal problems. These include:

- Marital or Family Problems
- Balancing Work/Life Situations
- Drug or Alcohol Abuse
- Financial/Legal Difficulties
- Emotional or Stress Related Problems
- Problems Related to Work

Personal Health Partners lends a hand with the many aspects of family health care. You, your family members, parents, and parents-in-law have access to a Personal Health Partners specialist who can answer questions regarding specific treatment options, secure appointments with specialists and help answer questions related to insurance matters.

Questions such as:

- Needing assistance with an insurance claim?
- Caring for an elderly parent and not sure where to turn for help?
- Needing advice on obtaining medical equipment?
- Seeking education around alternative drugs and therapies?

Find a Doctor provides services to employees and family members for the selection of a physician that utilizes an Enhanced Highmark Network doctor. **Find a Doctor** will utilize the insurance provider in selecting PCP's or specialists. After the research is complete, you are provided with a few physician options which include the name and number of the PCP or specialist. Once you select a doctor, the **Find A Doctor** counselor will contact the physician's office to confirm availability and to let them know a patient will be calling to set up an appointment.
