Dear Riverview Families,

As a result of parent inquiries for day care, pre-school, and before and after school programs for young children, we have compiled a list of providers through the Oakmont and Verona Chambers of Commerce, the Oakmont and Verona Borough offices, and Pennsylvania's Department of Human Services. If you know of any additional local providers, who wish to be included, please have them contact the District Administrative Office. We hope this helps parents who are in need of finding resources to meet familial needs. Please note that the District does not oversee or endorse any particular service provider. The list is simply being provided as a service to assist Riverview families. Have a wonderful school year.
