

Press Release:

Life Skills Foods Class Host Lunch

On Wednesday January 4, students from Riverview Junior Senior High School's Life Skills Foods Class made and hosted a lunch for Mrs. Beth Funtal and Mrs. Christy Maisto, the students' former elementary teachers. As the group enjoyed their special grilled cheese lunch, conversation centered around how much the students had learned since elementary school. Fond memories were shared. Afterwards, the students wrote Thank You letters to their former teachers that shared how much they appreciated them for making time in their busy day to share lunch with them. Bon Appetite!

Academics. Arts. Athletics. Opportunities.
