FOR IMMEDIATE RELEASE

## Fresh Apple Cucumber Lemonade & Tenth Street Students

On Wednesday, December 6th Monteverde's Produce visited Tenth Street Elementary at lunch. The crew at Monteverde's used a variety of local apples to demonstrate "juicing" by offering fresh made samples of Apple Cucumber Lemonade. The students were given tasty samples while having the opportunity to watch and learn about the process of making the lemonade.

Academics. Arts. Athletics. Opportunities.

**SERIOUS  
SUCCESS**
