# Pride & Behavior Code

Riverview School District has adopted a new behavior model known as Riverview Pride & Behavior Code. This program combines the SWPBIS (School-Wide Positive Behavior Intervention and Support) and Olweus Bullying Prevention programs. The result is having a clear definition of expectations and what procedures are in place when expectations are not followed. It ensures district-wide consistency by streamlining the discipline procedures and making expectations easier to understand for staff, parents, and students.
