

Riverview School District Required Documents for Registration

Whether your child is beginning Kindergarten or transferring from another school, we want to help make your first experience with our district as simple as possible.

The parent or guardian will need to provide the following when registering a new student:

- **Proof of Age:** The child's birth certificate, passport, or baptismal certificate **Kindergarten only**
- **Proof of Immunization Status:** A physician's statement/record of immunizations. If your child's immunizations are not current, they will not be permitted to attend school. **Kindergarten only**
- **Proof of Residency:**
 - o Photo ID with current address
 - o Copy of 3 utility bills with current address
 - o Deed or lease
- (if applicable) the student's transcript (high school students cannot be scheduled without a current transcript)
- (if applicable) a copy of the custody agreement indicating shared custody or a notarized statement from the shared-custodial parent verifying knowledge of the child's enrollment in Riverview School District.

The parent or guardian must present all registration information in person. Please register your child at the school which they will attend. Registration forms can be completed at the school, or you can download a copy and bring the completed forms with you when you visit the school office. Our registration forms are listed to the right. Please make sure you have all of the information required, as only completed registration packets will be accepted.
