

Dear Riverview Parents,

It's October and the end of the first marking period occurs in a few weeks if you can believe it! The school year is going quickly, and the students are doing a great job in their classes and their extracurriculars. We hope that you and your children have had a GREAT Riverview school experience thus far.

Below are a few updates for your consideration this week:

1. **Paraprofessionals/Substitutes Needed** – We need good people! We have paraprofessional openings at every school. We also need substitutes. If you or anyone you know are interested in coming in for a few hours a day or becoming emergency certified to fill the role of a substitute, we would love to discuss this in more detail. If you are interested, please contact Mrs. Raney Zatawski (lzatawski@rsd.k12.pa.us).
2. **Emergency Alarm Test Tomorrow** - Tomorrow, Wednesday, October 4, the Federal Emergency Management Agency (FEMA) and the Federal Communications Commission (FCC) will conduct a nationwide emergency alert test on all consumer cell phones. The test will occur at approximately 2:20 PM and will coincide with a test of the Emergency Broadcast System on radios and televisions. This information is being shared for your awareness. For more information about the test, you can read the [press release](#) issued by FEMA and the FCC. We wanted to let you know ahead of time!
3. **Enrollment Increasing** – Our enrollment numbers have increased by 9% since the 2020-2021 school year and continue to rise! We are currently up to approximately 990 students! Increasing enrollment is a goal of ours, so we are excited about this trend. Therefore, please continue to promote the District . You can direct any prospective families to our website for more information and encourage them to reach out to us. We are always happy to share and promote the great opportunities that our District provides in order to bring in more students and families.
4. **Upcoming Events** - We work hard to keep our school community updated on activities and events. These events can always be found on our [District](#) and [Athletic Calendars](#), located on the District website.
5. **Monday, October 9th** – Remember, there is **NO SCHOOL** this coming Monday (fall break). Enjoy a well-deserved 3-day weekend!

That's all for this week. We hope you can come out and join us at one of our many sporting events, activities, or school functions and, as always, we thank you for your ongoing support of the Riverview School District. Please continue to stay happy, peaceful, and safe.

Go Raiders!

Sincerely,

The Riverview Administration
