

Dear Riverview Parents,

Good morning. The winter break is upon us and we wanted to reach out about a few important items:

1. **School Safety** - Please know that we work collaboratively with our local police departments regarding all safety procedures and protocols in our schools. They are an important arm of our decision-making process and we appreciate this partnership greatly. We discuss all potential threats and issues (including those on social media), assess the credibility and impact of those issues, and focus resources and attention accordingly. Both departments have designated additional resources at our school buildings today out of an abundance of caution. If you see one of our brave law enforcement members, please thank them for their support of our school District, and trust that we will always work together to ensure that all students and staff are safe and secure.
2. **Sporting Event Protocols** - As you know, we are happy to be able to open up our winter events to additional spectators. So far, everyone has been extremely cooperative and have done their part to keep our spaces safe and follow the indoor mask protocols. THANK YOU! If you plan to attend and are experiencing ANY symptoms whatsoever, please stay home. In addition, please do your best to spread out from other families and spectators to the greatest extent possible. If we continue to stay safe and follow safety protocols, we can continue to enjoy watching the wonderful performances of our Riverview students.
3. **Winter Break** - Remember, that students have three more days of school from Monday to Wednesday of next week. Winter break starts on Thursday, December 23rd and runs through January 2nd. School resumes again in the New Year on January 3rd, 2022.

Please enjoy a very happy, safe, and peaceful winter season and may great fortune come to you in 2022! Enjoy family and friends, have some fun, and remain safe!

We appreciate your continued support of the Riverview School District. It's an honor to serve you and the communities of Verona and Oakmont.

Go Raiders and Happy New Year!

Sincerely,

The Riverview Administration
