

Dear Riverview Parents,

We wanted to report on the situation at the Junior-Senior High School from yesterday and publicize a few events this week:

1. **Jr-Sr HS Update** – As a result of the investigation and assessments completed yesterday, a small gas leak was found on one of the pipe fittings at the Jr-Sr High School. As a result, repairs were completed this morning and both Limbach and People’s gas have administered tests on the line to ensure its safety. The issue has been remedied and the building is safe, secure, and ready for staff and students tomorrow. We thank People’s Gas, our fire and police departments, our service provider, Limbach, and our senior administration (Mr. McKenzie and Mr. Rizzo) for their diligence and relentless focus on safety.
2. **Girls’ Varsity Basketball Playoffs** – Our Varsity girls are playing in the second round of the WPIALs this Thursday, February 22nd, at Fox Chapel High School at 6 pm. This is a **HOME GAME** for Riverview. As such, please make arrangements to come and support our girls against Monessen High School. Let’s pack the gym with Raider support and pride!
3. **Riverview Unified Bocce Team** – Our unified bocce team took second place in the Allegheny East/Westmoreland Division playoffs. We are waiting to hear if we will be awarded a wild card berth in the regional tournament bracket and hope to report back with good news soon.

You can continue to stay up to date on events and activities with our [District Calendar](#), [Facebook](#), and [Twitter](#) pages; and if you do, you will see that our students are excelling both in and out of the classroom in a host of diverse activities! We hope you had a wonderful winter break, and we are excited to see the students in our schools tomorrow.

Thank you for your continued support of the Riverview School District, and please continue to stay happy, peaceful, and safe.

Go Raiders!

Sincerely,

The Riverview Administration
