XVIII. Auditor General’s Performance Audit Report

I recommend approval of the following corrective action regarding the Riverview School District Performance Audit for years ended June 30 2009, 2010, 2011, and 2012 as issued by the Department of the Auditor General. The Riverview School District has/will:

1. The new superintendent will recommend that the school board bid a new transportation contract. Bids will include details used in the state formula and the current situation will be analyzed by the new business manager. The District has negotiated a new contract and the Board of School Directors and Administrative personnel were cognizant of the State’s final formula allowance and cost. Competitive bids for all pupil transportation services were sought. The contract was prepared to ensure the local share is as minimal as possible by establishing the base rate and increases in line with PDE’s final formula allowance for all pupil transportation costs. Personnel will continue to monitor and justify any increase in District pupil transportation costs.
