We can't believe this year is over. It started out amazing and ended in a way that we never could have predicted in the fall. However, even though the end of the year was different than we would have liked, we worked hard and stayed together in new ways- so the end was pretty amazing too! We are so proud of you and your accomplishments. We will miss seeing your faces in our rooms, but we wish you the best of luck next year. Please be sure to stop back to see us! Have a great summer!
