

Dear Riverview Parents,

We hope that you continue to stay happy, peaceful, and safe. Please read through the following items as they pertain to important end-of-year information:

1. **2021-2022 Selection Survey** – Remember, we need ***all selection surveys to be completed by this Sunday evening*** in order to prepare for next year. There were some inquiries about the vaccination questions and here is our reason for asking: if the current quarantine protocols are still required for next year, knowing who is vaccinated keeps us from sending students home for multiple days and also relieves us from reporting those quarantines to the County Health Department. The information will be kept confidential and helps us with the logistics of contact tracing, which is an extremely difficult and detailed process. We thank you in advance for your cooperation and candor. We need 100% completion, and the link is once again included below:

[Riverview 2021-2022 Selection Survey](#)

2. **2021 Riverview Graduation Parade Information** – Our 2021 Senior graduation parade set to occur next ***Thursday, June 10th, at 6:15pm***. Our graduates and their families will be decorating their cars and following the Verona and Oakmont Fire and Police Departments through both towns. Last year, this was a blast, and we encourage you to find a spot on the parade route and join us! ***The route is as follows:*** Cars will leave the high school parking lot via the access road entrance, right onto 3rd St., left onto Pennsylvania Ave., right onto Allegheny Ave., left onto College Ave., cross tracks and take a right onto Allegheny River Boulevard, right onto Center Ave., left onto E. Railroad, left onto James St., left onto Allegheny River Boulevard, left onto Pennsylvania Ave., right onto 3rd St., left onto the school access road and around the school.

3. **Boys' Varsity Track/Boys' Varsity Baseball** – The Riverview boys' 3200 relay team took 1st place in the WPIALS, and 8th place in the State tournament. The Riverview boys' baseball team competed in the WPIAL championships this week and finished as the WPIAL runner-ups. They will go on to

compete in the PIAA State tournament and will play Kennedy Catholic this Monday, June 7th at Slippery Rock University. We encourage you to attend. Pictures, announcements, and information are included on the [Riverview School District Facebook page](#), as always.

If you haven't filled out the survey, please do so, and enjoy the great weather this weekend. We encourage you, as always, to get yourselves and your children vaccinated as soon as it becomes available.

Go Raiders!

Sincerely,

The Riverview Administration
