

Dear Riverview Parents,

We hope that you are enjoying the summer and have been able to spend some valuable time with family and friends. We are still about a month away from the start of school, which is August 24th for students, but below are a few items for your consideration:

1. **Annual Summer Survey** – We take continuous improvement seriously. As a part of that process, we send out a survey every summer that allows us to gather and utilize community feedback to create goals and focus areas for the upcoming school year. Our staff fill out a similar survey. Below is the link to this summer's survey. It should take no more than 15 minutes to complete. We thank those that have already filled this out, and we appreciate your ongoing feedback.
2. **Full time Nurse (10th Street Elementary) and Paraprofessionals** – We are looking for a 10th Street nurse and paraprofessional classroom aides for the coming school year. If you, or anyone you know are interested, please have them contact Mrs. Zatawski (lzatawski@rsd.k12.pa.us). The nurse position is full time, and the paraprofessional positions are part time. They are both very honorable and rewarding ways to serve students. Pass this along and help us to get these important positions filled!
3. **Riverview School Board Availability** – Unfortunately, one of our esteemed members and current President, Mrs. Hurt-Robinson, has resigned. She has served the District for many years, in many roles, has been a staunch advocate for kids, and deserves our gratitude for her dedication and service. We wish her and her family the best of health and good fortune, both now and into the future. Mrs. Chaparro was voted by her peers to serve the role as President. We congratulate her as well and know she will serve Riverview well in her new role and do an excellent job.

As a result, the Board will be looking to fill this vacancy, which will extend through her term ending in November of 2025. To qualify for the open seat, residents must be at least 18 years of age, of good moral character, and a resident of the Riverview School District for at least one year prior to the date of election or appointment. Interested

residents should send a letter of interest and resume **on or before 12 o'clock noon on Thursday, August 10, 2023** to:

Riverview School District Board of School Directors

c/o Dr. Neil English, Superintendent

701 Tenth Street

Oakmont, PA 15139

Interviews with interested candidates must be conducted in open session and will commence at the Study Session of the School Board on Monday, August 14, 2023, at 7:00 p.m. in the Verner Library. An appointment will be made at the Voting Meeting of the School Board on Monday, August 21, 2023. If you or anyone you know are interested, please encourage them to serve in this important role. The information is also posted on the Riverview website under "[School Board](#)."

Serving as a Board member is an honorable way to give back to the community and make an positive impact on students. We need great people that can help us to advocate for our children and help sustain and improve upon the world class education that Riverview provides. Join us!

Please enjoy the remainder of summer and continue to stay happy, peaceful, and safe. We will be reaching out closer to the start of school with additional school-related information.

Go Raiders!

Sincerely,

The Riverview Administration
