

Dear Riverview Parents,

Good afternoon! We hope your summer has been filled with family, friends, and great memories! We are excited for tomorrow and hope you are as well! Below are a few important items for your consideration:

1. **First Day of School** – Opening day is tomorrow! Feel free to arrive early to take pictures if you like. We will have photographers at all three buildings to capture the event for our [District website](#). We can't wait to see you.
2. **Bus Schedules** – If you are a junior-senior high school student from Verona and you ride the bus, you should have already been contacted regarding tomorrow morning's schedule. The schedule is available on the "[Transportation](#)" page of the District website. Please call or email tomorrow morning with any issues, concerns, or questions.
3. **Paperwork/Documents** – Based on your feedback, we have reduced the amount of school paperwork this year. We hope this will create a more streamlined process for everyone. Please let us know your thoughts.
4. **New District Calendar/Event Scheduler** – We have implemented a new District [Calendar](#) and scheduling system called rSchool. rSchool provides a public view link that will display *all* district events in one place. The program allows you to view various schedules (athletic and other events), sign-up for alerts through the "Notify Me" section, and "subscribe" to any athletic and/or school functions, which will be automatically uploaded to your calendar and/or mobile devices! The Calendar can be found on the main District website under the "[Calendar](#)" box on the left-hand side. This will be a great tool for parents.
5. **Special Education Director** – To continue supporting our special education students and families, we have hired Ms. Jamie Desrochers, who will serve as our new Director of Special Education. Ms. Desrochers brings a wealth of experience and is eager to serve our special education population. She will be

reaching out to families soon and will attend meetings to introduce herself. She will be a great resource for students, staff, and families.

6. **Riverview Strategic Plan Survey** – At the end of last year, we sent out a link for our [Riverview 2025-2028 Strategic Plan Stakeholder Survey](#). We thank those who took time to provide us with input. If you haven't participated yet, please consider doing so. Your input is crucial in helping us set goals and plan for the future. The survey should take approximately 30 minutes. Thank you!
7. **Riverview Reporter** – You should have received our annual [Riverview Reporter](#) in the mail. We hope you enjoy the publication and feel as proud of our District as we are!

We are excited to officially open the 2024-2025 school year tomorrow. We hope you are too! See you in the AM.

Go Raiders!

Sincerely,

The Riverview Administration
