

Dear Riverview Parents,

We hope you were able to enjoy the great weather and have some fun over the holiday weekend. Below are a few important items for your consideration this week:

1. **Communication Expectations** – Our goal is to ensure that every student is safe, comfortable, happy, and successful at school. That being said, we are a people-centered organization and conflicts and issues are bound to occur every once in a while. If your child comes home with an issue or a concern, please contact the staff member first and allow them to provide additional context and information. Work collaboratively with them to resolve your issue. If the issue persists, contact the building principal (or appropriate administrator) and move up the ladder from there. Always assume positive intentions and see us as your allies and teammates. We will work together to resolve any and all issues as they arise. Thank you in advance for that!
 2. **Alternate and Promotional Raider Gear** – Our alternate athletic logo was finally approved and trademarked (the Raider ship - seen below). As a result, we have updated our [Riverview School District Branding Guide](#) and are running a great promotion through September 14th, where you can be one of the first to purchase Riverview gear with the additional logo! This is all a part of our goal to continue to dress up the campuses and bring additional school spirit and excitement to the District. For every purchase, \$5 will be returned to the District to achieve this goal.
 3. **2023 Homecoming Events** – As usual, we have some fun events planned for homecoming this year, including our annual night athletic events, official ceremonies, and of course, the dance. Below is a more detailed list. You can always keep up to date up with events on our [District Calendar](#) and [Athletic](#) websites on our District webpage.

4. **Free Yoga and Mindfulness After School Classes** – As a part of a State funded grant, we are offering free yoga and mindfulness classes to all Riverview students. We will offer 2-3 sessions per month and sessions will occur after school. Permission forms will be sent out for the elementary students this week and the Jr-Sr HS sessions will be publicized on the calendar and through RVTV. We encourage you to take advantage of this.
 5. **Online Riverview Athletics Streaming** – All Riverview sports that compete at Riverside Park and in our Jr-Sr HS gymnasium are available to stream in high definition through a purchased subscription. To subscribe, go the [NFHS Network Riverview Home Page](#) and click on the blue “Subscribe Now” button in the upper right hand corner to create your account. You can also stream all Riverview events at all other NFHS participating schools (most schools are).

That’s all for this week. Thank you for your continued support of the Riverview School District and please continue to stay happy, peaceful, and safe.

Go Raiders!

Sincerely,

The Riverview Administration
