

Activities for Mrs. Arnett, Reading Specialist April 6-8 and April 15-17

Dear Parent/Guardian,

Please have your child work on a few of the activities listed below 2-3 times this week. I encourage you to visit the RSD Literacy website at <https://sites.google.com/view/rsdliteracy/home> to find links to the activities and access additional materials, links, or activities. I hope that you are doing well, and please feel free to reach out by emailing me at marnett@rsd.k12.pa.us.

Sincerely,

Ms. Melissa Arnett

- **Critical Thinking Warm-Up:**
For this week's warm-up, find a few jokes to read aloud to a family member. You can find a pet, a sibling, a parent, or even FaceTime a friend or family member. You may use a joke book from home, or access some of the recommended sites on the RSD Literacy website. Notice that I've added some Spring Break and Spring-themed jokes this week!

- **Reading Skill/Strategy Focus: Questioning**
This week, we are going to focus on the reading skill of Questioning. Visit the RSD Literacy Website. Select the Link for your grade level (on the right hand side) and view the Reading Skills and Strategies section. Watch the short video and complete a couple of the activities. You may email Mrs. Arnett your answers, or have a grown-up at home check them for you.

- **Application: Questioning**
Think about the book that you are reading or a text that you have recently read. Practice asking questions before you begin reading, during your reading, and after you finish the text.
