

Mrs. Cecil's AP Statistics Class Plans 5/11/20 to 5/15/20

You will need your textbook, TI-84 Plus CE Calculator, and online access.

** If you have any late assignments to submit and the assignment is no longer available in the Assignments through the Teams app, you will need to take a picture of the assignment and e-mail it to me.

Monday, May 11th

- Complete the Chapter 12 Outline
 - If you lost your outline worksheet, it can be found in the Classroom Materials Outlines folder in the Teams Files
 - This is all you will be completing for Chapter 12.
- After completing this outline, take a picture of the first page only of all the outlines from Sections 10.1, 10.2, 11.1, 11.2, & chapter 12 then upload the pictures to the Teams assignment

Tuesday, May 12th to Friday, May 15th

- Complete the proposal for the end of the year project by Friday, May 15th
 - This can be found in the Teams Files or attached to the Teams Assignment
- Upload the proposal to the Teams Assignments so Mrs. Cecil can approve it before you move on to finishing the project
- The proposal can be completed before May 15th so you can start working on the rest of the project which will be due by Friday, May 22nd (which can also be submitted before the due date). This project will be your last assignment for the year.

Project will be due **Friday, May 22nd**

**Every week you will be asked to join an AP Stat Team meeting on Wednesday at 11:00 AM so we can go over any questions you may have. At 11:00, you will be asked to join through the Teams app. If you do not see the button to Join then go to the Calendar in the Teams app and click on the meeting and then you should be asked to Join. If you do not have any questions that week then you do not have to Join, it is your choice.
