

Mrs. Coffman's Science 7 Plan:

Hello,

Regarding the work that I sent home with the students in their take home packets today, the information below is a recommended timeline for completion.

Week 1 Please complete the work on Chapter 10 for Lessons 1 and 2

Week 2 Please complete the work on Chapter 10 for Lesson 3 and the Chapter Test.

It would benefit you to read and review the lessons on the Metric System, as this is what we will do upon your return. However, it's **not due** upon your return.

Thank you,

Mrs. Coffman
