

Plans for the week of May 18-22

If you need any help with assignments, please don't hesitate to email me at mdeluca@rsd.k12.pa.us. If you have access to Teams we can also set up times to use the chat or meeting features in there for additional support if you need!

Foundations of Math 7

- 1.) Complete the Teacher Assigned "Problem Solving with Equations" iReady lesson.
- 2.) Complete 1 iReady lesson in your pathway.
- 3.) Complete any make up iReady or assignments from the last few weeks.

This will be our last week of new content. Next week will be a make up week for our class if you need it!

If you cannot access iReady or are struggling to Teams, please email us at mdeluca@rsd.k12.pa.us or mslencak@rsd.k12.pa.us or call 412-828-1800 x1070 and leave a message (include your phone number in the message). You will receive an alternative assignment or instructions.

Geometry 8

Complete the assignments in the following order:

- 1.) Go to our Teams page.
- 2.) Click on "May18 - May22 Trig Applications Notes, Videos, and Worksheet."
- 3.) Click on the link "May18-May22 Trig Applications Notes" to access the notes - you can use these at any point during the week"
- 4.) Click on the link "TrigApplications" to access the video for the week.
- 5.) Click on the link "May18-May22 Practice K 8-4" to access the worksheet for the week. Complete the worksheet and upload your work into the assignment.
- 6.) Click on the link to access Pearson Realize to complete the "8-4 Lesson Quiz" assignment from your Pearson Realize assignments.

7.) Click on the “May18 - May 22 Trig Applications Quiz” in the “assignments” tab in Teams. Complete the quiz using scratch paper and a calculator.

8.) Reach out in Teams (using the chat feature) if you have any issues throughout the week.

This will be our LAST week of new content for Geometry! Next week will be a make up week if you need it!

If you cannot access teams or are struggling to log into our text book, please email me at mdeluca@rsd.k12.pa.us or call 412-828-1800 x1070 and leave a message (include your phone number in the message).

If you need help, feel free to email me or we can set something up in Teams.

Math 7

Choose **ONE** of the following options for the week!

OPTION 1: Lesson and Worksheet

1.) Go to our Teams page for Math 7.

2.) Go to the “files” tab and click on the “Last Week of Work!! May 18 - May 22 Notes, Video and Worksheet” folder.

3.) Click the two links to access the two notesheets for the week ("May18- May22 Parallel Lines Algebra Note Sheet" and "May18- May22 Parallel Lines Algebra Note Sheet Page 2"). You can use these throughout the week at any time for reference when you are completing your work!

4.) View the video using the link (“parallellinesvideo2”). Feel free to check in if you have questions while viewing the video!

5.) Click the link to access the worksheet for the week (“May18-22 Parallel Lines Algebra Worksheet”). Take a picture of your work (it can be on a blank sheet of paper) and email it to me or send it to me in a chat.

There is no quiz for the week!

OPTION 2: Two iReady Teacher Assigned Lessons

1.) Complete and pass the “Problem Solving with Angles” **AND** “Geometric Properties Involving Angles” **Teacher Assigned** iReady lessons.

Additional Information:

- This will be our LAST WEEK of new instruction for the year for Math 7.
- Complete any make up assignments, revisions, or enrichment.

If you cannot access teams, please email me at mdeluca@rsd.k12.pa.us or call 412-828-1800 x1070 and leave a message (include your phone number in the message).

Math 7+

1.) Go to our Teams page for Math 7+

2.) Go to the “assignments” tab and click on the “May18 - May22 Videos, Notes, and Worksheets.”

3.) Click the link "Distance Formula" and view the notes - you can use these as you watch the video and throughout the week.

4.) Click the link "May18 - May22 Distance Formula Video" to view the video for the week.

5.) Click on the link "May18 - May22 The Distance Formula Worksheet" and complete the worksheet.

6.) Show your work on the worksheet and upload it in the assignment.

7.) Look for feedback on the assignment or in Teams and meet if need in Teams to do corrections.

Additional Information:

- This will be our LAST WEEK of new instruction for the year for Math 7+.
- Complete any make up assignments, revisions, or enrichment.

If you cannot access teams, please email me at mdeluca@rsd.k12.pa.us or call 412-828-1800 x1070 and leave a message (include your phone number in the message).
