

Plans for the week of May 4 - 8

If you need any help with assignments, please don't hesitate to email me at mdeluca@rsd.k12.pa.us. If you have access to Teams we can also set up times to use the chat or meeting features in there for additional support if you need!

Foundations of Math 7

- 1.) Go to our Teams page.
- 2.) Click on the "May 4 — May 8 Notes and Videos and Worksheets" in the assignments tab.
- 3.) Click the links in the assignment to access the video and notes for the week. You can use the notes as you complete your worksheet.
- 4.) Click the links in the assignment to access "May4-May8FoundationsWorksheet1."
- 5.) Complete the worksheets and show your work as modeled in the video and notes.
- 6.) Take a picture of your work on the worksheet and upload it into the assignment or email/send a chat to Ms. DeLuca or Mr. Slencak.
- 7.) Complete 1 iReady assignment in your pathway.
- 8.) Complete any make up iReady or assignments from the last few weeks.

If you cannot access iReady or are struggling to Teams, please email us at mdeluca@rsd.k12.pa.us or mmlencak@rsd.k12.pa.us or call 412-828-1800 x1070 and leave a message (include your phone number in the message). You will receive an alternative assignment or instructions.

Geometry 8

Complete the assignments in the following order:

- 1.) Go to our Teams page.
- 2.) Click on "May4 - May8 Intro Trig Notes, Videos, and Worksheets"

3.) Follow the directions in the assignment. You will review notes, watch the videos, complete the worksheets (May4 - May 8 Worksheet 1 and May4 - May8 Geo 8-3 FormG) and upload your work.

4.) Complete any missing assignments.

5.) Reach out in Teams (using the chat feature) if you have any issues throughout the week.

6.) If you would like additional discussion on where the trig ratios come from and why they exist, let me know and we can set up a session with other students who are interested. This is completely optional!

If you cannot access teams or are struggling to log into our text book, please email me at mdeluca@rsd.k12.pa.us or call 412-828-1800 x1070 and leave a message (include your phone number in the message).

If you need help, feel free to email me or we can set something up in Teams.

Math 7

Complete Assignments in this order for the week:

1.) Go to our Teams page for Math 7.

2.) Click on the “May4 - May8Video and Notes” in your assignments.

3.) Watch the video “Classifying TrianglesVideo” and look through the notes “ClassifyingTriangle Notes” with completed examples from the video. You may want to print these or have these up when you complete your work for the week.

4.) Complete the TWO worksheets for the week. Go to the “assignments” tab in Teams and click on “May4 - May8Worksheets.” Upload your answers to BOTH worksheets following the directions listed in the assignment.

5.) Work in “chats” on your assigned day.

6.) Go to the “assignments” tab and click “Triangle Sum and Classifying Triangles Quiz”

7.) Complete any make up iReady assignments (if you are caught up you do not need to do any iReady this week).

8.) Complete any make up assignments, revisions, or enrichment.

If you cannot access teams, please email me at mdeluca@rsd.k12.pa.us or call 412-828-1800 x1070 and leave a message (include your phone number in the message).

Math 7+

1.) Go to our Teams page for Math 7+

2.) Click on the “May4 -May8 Videos and Notes” under the “assignments” tab in Teams.

3.) Click the notes link and download the notes for the week– you can use these at any time. Click the link for “Pythagorean Theorem Video” and watch the video. After you have watched the first video, watch the “Pythagorean Theorem Explained - Watch this video 2nd.”

4.) Click on the “May4 - May8 Pythagorean Theorem Worksheet” under the “assignments” tab in teams. Complete the assignment and submit. Look for feedback on it.

5.) Meet in “chats” in Teams to review your Worksheet and any prior revisions.

6.) Go to the “assignments” tab and complete the “May4-May8 Pythagorean theorem Quiz” assignment. Use scratch paper and type your work when possible! Look for your feedback after you submit.

7.) Meet back in Teams if needed to do any revisions from your quiz.

8.) Complete any make up iReady lessons.

9.) Complete any make up assignments or do revisions with Ms. DeLuca in Teams.

If you cannot access teams, please email me at mdeluca@rsd.k12.pa.us or call 412-828-1800 x1070 and leave a message (include your phone number in the message).
