Emmy went to see Danny.  
Danny looked sad.  
“I cannot play,”  
Danny said sadly.

"My chores are not finished."  
"We can still play," Emmy said.

"We can make cleaning a game!  
This is a good starting place."  
Emmy and Danny  
raced to pick things up.

They joked about  
Danny's messy ways.  
Cleaning was fun  
and not dull.

Emmy found lost books  
hiding in Danny's big trunk.  
Danny found a hat he liked.  
He found racing cars with his blocks.

Danny's mom took a look.  
"Good job!" she said.  
"We played all day!"  
Emmy said, smiling.

"Can you play a cleaning  
game next week?"  
Danny asked.
