This is Sam's big day.  
No cloud is in the sky.  
He jumps out of his bed.

1st

Sam has on his brown pants.  
He runs down to eat.  
He tries to gobble down his food.  
He cannot sit still.

He and his mom and dad  
go to the track.  
Mom and Dad tell him  
to do his best.

Now a big crowd is here.  
Everyone in this little town  
might be here!  
Wow!

Sam gets in line on the ground.  
He sees the tape far away.  
He must get there first.

Sam bounds down the lane.  
He is fast.  
He remembers what  
Mom and Dad said.

How fast Sam runs!  
He must not stumble.  
Sam is first!  
This is a great day for Sam.
