

ESY Posting 2024

There are openings for (2) elementary teachers and one (1) secondary teacher for the Extended School Year program. Teachers with Special Education certification will have priority.

Both programs will operate July 8, 2024-July 25, 2024, Monday through Thursday from 8:30-12:30.

Teachers will work an extra 30-minute planning period per day.

Teachers will be compensated to have up to 7 hours planning prior to the start of ESY and 3 hours at the conclusion of ESY to complete progress reports.

There are openings for paraprofessional(s) elementary and secondary. The number needed will be determined based on the students attending.

We will need one (1) paraprofessional to also ride the elementary bus with the students to and from school.

There is an opening for a school nurse or health room paraprofessional. There may be travel between the buildings.
