

Riverview School District
Education Committee Minutes
January 12, 2015

I. Riverview School District SPP Analysis

Dr. Coudriet shared a detailed analysis of the district's SPP scores for each of the three schools. Discussions occurred based on areas in need of improvement as indicated by the data shared.

II. Program of Studies

Ms. Nix shared the 2015-2016 Program of Studies, and highlighted the changes and addition of new courses.

III. K-12 Writing Framework Update

Dr. Coudriet shared information regarding the development of a K-12 Writing Framework with the Board. This was an area of need as indicated by the data present in the SPP at the Elementary level.

IV. ELA Resource Selection Update

Dr. Coudriet shared progress to date with regard to the selection of a new ELA curricular resource. Teachers have been working diligently to map curricula using the OnHand Schools Curriculum Mapping Technology. We will use these maps to establish resource needs and then make final selections in the spring.

V. AP Exam Cost Analysis

Ms. Nix shared the AP Exam Cost Analysis she prepared with the Board. The Board discussed new options for student reimbursement based on performance to encourage students to put forth their best effort on the AP Exam.
