I am extending the deadline for Lesson 9 Sprite Movement graded work to this Friday, May 22. The grading rubric and notes can be found in your TEAMS class under Files, Class Materials. Access and READ the notes I am providing. If possible, print them so you can reference them as you are working through the steps of the lesson.

I have reached out to several of you who have not completed past-due assignments; please contact me for any needed assistance.

IMPORTANT: When finished with tasks, be sure to click finish/submit to notify me that code is ready to be graded.

Publishing

Please submit time sheet information for last week.

Attend the Teams meeting scheduled for Monday, 5/18 at 11 a.m. All club pages, etc. are to be completed by then. We should only be focused on the newly-created spreads from that date forward.

Tentative plan for remaining pages: Musical (we have photos of rehearsals), At Home (help us gather photos for this), Seniors & Siblings, Senior Houses (decorated), Graduation, and Prom. We are also planning on replacing the Forbes page with a School Spirit page. **If you can help with any of these pages, please offer. WE NEED YOU!**
