

Mr. Ilnicki's Courses

Physical Science & Biology

PHYSICAL SCIENCE:

MONDAY (5/4/20) solve problems pertaining to Ohm's law - problems will be uploaded to Teams Sunday night

TUESDAY – FRIDAY (5/5-8/20) - Type a **two – three page paper** that answers the following questions. The questions should be answered in paragraph form, with the answers woven in the paragraphs (not listed out as answers). At the end of the typed-paper, please include a section for works cited. The questions will be uploaded to Teams Monday night.

BIOLOGY:

MONDAY/TUESDAY (5/4-5/20) answer the end of the chapter questions for chapter 15 - the questions will be uploaded to teams Sunday night

WEDNESDAY/THURSDAY (5/6-7/20) complete a review packet on chapter 15 to prepare for the exam on chapter 15 - the sheets will be uploaded to Teams Tuesday night

FRIDAY (5/8/20) study for the chapter 15 exam on Monday – an extra credit review packet will be uploaded to help review for the chapter 15 exam - the study guide will be uploaded to Teams Thursday night
