

iReady Diagnostic

This week you are responsible to take the End-of-Year iReady diagnostic. We have taken the beginning of the year (in the lab) and the mid-year assessments. Now it's time to finish the year strong!

You should be independent in completing this task.

HOW TO START diagnostic:

1. Login to i-Ready: <https://login.i-ready.com>
 - Your username is a 6 digit number, email me if you need it.
 - The password for ALL kids is: 2019Raiders
2. Once logged in, select Pennsylvania.
3. Click Math and begin.

It should take about 40-60 minutes in total.

If you stop, it WILL save where you left off.

We recommend doing about 15-20 minutes at a time. This is why you have the whole week to complete.

BONUS: If you complete the iReady diagnostic before midnight on Friday the 29th. You will be entered to win a KINDLE! 😊

If you have any questions or need your iReady log-in, please reach out!

Thank you!
