If you have not heard by now, the 2020 Olympics have been postponed until 2021 due to the COVID-19 pandemic. Since we can't do much about that, let's check out who competed in the 2016 Olympic Games. We are starting a new project entitled *The Road to Rio*. It is an Olympic Games PowerPoint assignment. The direction sheet is attached to this email message. The project is due no later than **April 22**. This gives you 10 class periods, each day equating 20-minutes' worth of work.

The first thing I want you to do is find an Olympic athlete you would like to research and email that person's name to me asap. I will not permit any duplicate athletes or athletes you have already researched this year. It must be someone new! First come, first served!

Please email me, also, if you have problems, concerns, or questions.

Thanks, Mrs. K. 😊
