

At-Home Learning Assignments for March 16-26, 2020

Mrs. Lohr's High School Art Courses:

Introduction to Art

Intermediate Art

Advanced Art

Portfolio Prep/AP Art

- *Please complete (pick one):
- A. 5 drawings in full detail and shading
 - B. 2 projects using a media other than pencil
 - C. 2 drawings and 1 project.

*Refer to the Image Inspiration list for ideas of what to use to inspire your images.

*For projects, any style of work is acceptable: realism, abstract or non-objective. It is also your choice of media. Don't be afraid to explore a new or different media or even return to your childhood box of crayons. If you do not have specific art supplies, many kitchen items can be used including coffee, tea, koolaid packets, and food coloring that can be used like paint. You may actually want to try these items along with your art supplies.... You may just discover something new and interesting.

*There are also many unconventional surfaces that you can create on. They include but are not limited to: cardboard (put those Amazon boxes to good use); newspaper; pages from magazines, books and dictionaries; maps; and sheet music. Of course, good old printer paper is also acceptable.

****ALL drawings and/or projects will be due when we return to our normal school routine ****

ALTERNATIVE ASSIGNMENT: If you are not feeling creative, complete both of the following written assignments:

A. Research an artist and create a crossword puzzle with at least 25 clues with answers that relate to the artist's work, life, style, influences, media, etc.

B. Research a medium and create a list of at least 25 words that relate to the medium including tools, artists that have used it, styles of art that use the medium, etc.

At-Home Learning Assignments for March 16-26, 2020

Mrs. Lohr

Junior High School Art Courses:

7th Grade 3rd Rotation

8th Grade 3rd Rotation

Choose 10 ideas from the list you were given to draw a picture of in your sketchbook. Drawings must be as detailed as possible and fill the page with a background/landscape included. Drawings can be pencil only with shading or can be colored with whatever materials you have at home.

****ALL drawings will be due when we return to our normal school routine ****
