All projects can be turned in to me for grading by uploading photos of work directly onto each class' Microsoft Teams page under the Class Notebook tab where it says Art Gallery or attaching it to a conversation in Teams. Be sure to sign your artwork. These pictures can be seen by all classmates and will be a great way for us to share what we have been creating. If you prefer to keep your creations private, you can email them directly to me or attach them in a chat in Teams. If you wish to not have your pictures shared/posted to the Gallery, please let me know.

I will be available for help, questions, etc. Monday through Friday from 8am – 3pm by way of email or voicemail or Teams. If you call, please be sure to leave a phone number where you can be reached because the voicemail system does not always show the number from which you are calling. If you email or message through Teams after 3pm, I will try to answer quickly but I may not answer you until the next day.
