

Miss Danielle Lorenz's Chemistry Lesson Plan

Week of May 25- May 29, 2020

Dear students and parents,

We made it to the end of the school year! Thank you so much for all your hard work during this difficult and unprecedented time. Please check your grades on Gradebook and email me at dlorenz@rsd.k12.pa.us if there are any questions.

Chemistry 1 (10th grade students)

- 1.) Finish any last minute assignments that you haven't. Check gradebook or email me with any questions.
- 2.) Please complete the survey that I will be emailing you sometime on Monday, May 25. It will be worth 5 pts. I like to hear your opinions so I can always improve and continue with the things you liked!

You were the most wonderful group of students and I couldn't be more thankful for spending my first year at Riverview with you all! Thanks for all your hard work! Can't wait to see you all next year in Physics!

AP Chemistry Assignments: Please complete the survey that I will be emailing you sometime on Monday, May 25. It will be worth 5 pts. I like to hear your opinions so I can always improve and continue with the things you liked!

Thank you to my wonderful AP students who worked so hard, even with this crazy ending of a year we've had. I couldn't be more thankful for the 6 of you!! It will be hard to top this amazing AP class 😊

Thank you and be well!!

- Miss Lorenz
