M. MacConnell Lessons May 11<sup>th</sup> – 15<sup>th</sup>

Below are the lessons for this week.  Please make sure to complete the work in a timely manner by Friday afternoon.

**Each day, your student will need to email me for attendance purposes**.  This is VERY important as it is how the district knows you are present each day.  The email can be a simple check in or it could be questions about topics/assignments.  CHECK IN!

There are no formal meet ups on Wednesday, except the group chat.  If students need help, please message Mr. MacConnell or Mrs. Wendy and we will help out.  This is building independence skills and advocacy if you are reaching out for help.

A suggested schedule for the week:

|  | Monday | Tuesday | Wednesday | Thursday | Friday |
|---|---|---|---|---|---|
| Reading | -2 i-ready lessons | -NewsELA article and writing assignment -15-30 minutes Independent Reading (IR) | -2 i-ready lessons -15-30 minutes IR | -Epic Book and quiz | -1 i-ready lessons -15-30 minutes IR |
| Math | -1 i-ready lesson | -2 i-ready lessons | -1 i-ready lesson | -2 i-ready lessons | -2 i-ready lessons |
| Social Skills |  |  | 10:30 Group Chat |  | 10:30 Group Chat |
| Kitchen Help | Find **two days** this week to help in the kitchen.  Send Mr. M a picture of you working with your family.  If you try out a new recipe, let Mr. M know how it turns out! | | | | |

**Reading:**

I-Ready-

Students are to log into their I-Ready account (log in information below) and complete at least Five lessons from their differentiated selected lessons.  We have used this program in the fall so students should be very familiar with this program.  These lessons are based off of the student's diagnostic test taken in October.

To log in-

1.   Go to https://login.i-ready.com/
2.   Students will log in with:
     a.   Username : (student ID number for lunch)
     b.   Password: 2019Raiders

       c.   Choose the state of Pennsylvania

Once they are in their account, the lesson for reading or math should already pop up (in the reading and math tab).

Epic Books-

Students are very well aware of this site but we only use it on the IPADS.  Your child may need help setting up their account online by following these steps.

1. Go to www.getepic.com/students
2. **Login** in with the class code **jrn9695**
3. Select your name and you are in!

Once in their account, students will go to their mailbox icon where I have sent them a book.  Each student has been selected a book at their level and should read through.  I will be able to monitor how long it took them to read that book so I can easily see if the student has skipped through pages.

NewsELA-

We use NewsELA at least twice a week to read current event articles.  I print these articles out so the students aren't familiar with the website as much and may need help accessing the material.

Follow these steps to create a free account:

1. Go to  https://newsela.com/quickjoin/#/45BKU7
2. Click the button **It's my first time**
3. Enter your information
4. Click Join

Math:

**I-Ready Math**

Complete the I-ready math lesson or two for the day.
