

Mr. Biehl's Courses

Dear students and parents, what follows are plans for work and studying that you can do for the next two weeks while our normal school schedule is disrupted. Obviously, this is not ideal but I have attempted to give you meaningful assignments that will help us all to keep moving forward in our learning. Your challenge will be to do all of this while on your own. The good news is that I will be available if you have questions, all you have to do is email me at hbiehl@rsd.k12.pa.us and I will answer you as quickly as possible.

Civics – for the weeks of March 16 -27

Civics students received an invitation through their school email to join the Office 365 Civics Team. If an invitation to join was not in the school email, please email me at hbiehl@rsd.k12.pa.us and I will resend the invitation. Each student should go to class files and class materials to review class notes and also watch the short YouTube video on Political Spectrum. After reviewing class notes, the students will go to the assignments tab and complete assignments listed. An email will be sent to notify that additional assignments and activities are posted.

Ancient World History 8 – for the weeks of March 16 – 27

All 8th grade Ancient World History Students received a folder with two articles. These articles have questions attached and include a writing assignment as well. If students or parents have any questions, please email hbiehl@rsd.k12.pa.us and/or student teacher Zachary Selekman at zselekman@rsd.k12.pa.us.
