Press Release

Riverview School District Appoints New Business Manager

Members of the Riverview School Board and Administration are pleased to announce the appointment of Ms. Tammy Tuccarello as the school district's new Business Manager. Ms. Tuccarello, who was selected from a well-experienced pool of over 21 applicants, brings over 13 years of School District Business Manager experience to the position. She also holds a Masters Degree in Business Administration and a Bachelors of Science in Accounting from Seton Hill University. Her proven experience with the Jeannette City School District and United School District, along with her expertise in the use of ProSoft Financial Systems and Human Resource Management will add great value to the efficient operation of the Riverview School District. While Ms. Tuccarello begins her tenure with the district on August 19th, she has already started visiting with central office staff in an effort to provide a smooth transition into the position currently held by Mr. Frank Thompson. Mr. Thompson is retiring after serving the school district for over 15 years. The Riverview School District community extends a warm welcome to Ms. Tuccarello while wishing Mr. Thompson a happy and healthy retirement.
