Press Release:

FOR IMMEDIATE RELEASE

Riverview's Art Sparks Community Involvement Night - Turnpike Mosaic

A great time was had by all!

Thank you to all Riverview parents, students and Oakmont and Verona community members who attended our community night and participated in the creation of our very own Riverview Mosaic which will be placed at the Plum/Oakmont Rest Stop on the PA Turnpike. Parents, faculty, students, administrators and even the local police joined us on Wednesday evening moving the student generated project further to completion. Refreshments were served and student musicians entertained, as attendees assisted with the creation of the 9' by 17.5' Riverview mosaic. The large mosaic will be installed at the Oakmont Plum Turnpike Service Plaza on November 9th and is the second of 17 planned artworks and installations that will take place in the service plazas across the state. The Art Sparks program brings unexpected excitement to travelers on the PA Turnpike while putting young artists on the road to success.
