**FOR IMMEDIATE RELEASE**

## **Riverview School District Acknowledges Generous Work of Board of School Directors**

Pennsylvania public schools educate nearly 2 million students and over 950 students are in the Riverview School District. Each one of those students has an individual story and a different path they are taking into adulthood. The roads to success are as varied as the students, but they are not traveling this path alone. Parents, teachers, administrators, and support staff all play a vital role in the success of students.

In January, we also pause to salute another group of nine people who spend dozens of hours each month voluntarily leading our schools and making difficult decisions – they are our school directors. School directors play a special part in our students' education and they set the foundation for a strong education system in our local area.

These elected officials spend countless hours reviewing budgets, approving curriculum and textbook choices, reviewing hiring decisions, adopting policy, and evaluating the academic and operational results of the district. They are our neighbors, friends, community leaders and engaged senior citizens doing a necessary job for the benefit of our children.

As we continue to celebrate the success stories in our schools, let's not forget our elected school directors who play a significant role in creating the environment where those successes can happen. Please take some time to acknowledge and thank the following local community members who volunteer their time and service to the Riverview School District:

Dr. Maureen McClure – President  
Mr. David DiPietro – Vice President, Student Life Chair  
Mr. John Hackworth – Finance Chair  
Mrs. Lisa Ashbaugh – Education Chair  
Dr. Arlene Loeffler – Forbes Road and Legislative Delegate  
Mrs. Dori Tompa – Eastern Area Delegate  
Mr. Alex DiClaudio – Student Life Chair  
Mr. Jon Nelsen – Finance Chair  
Mrs. Jeanine Hurt Robinson

Thank you for contributing to the **SERIOUS SUCCESS** of our students!
