The Challenge Program, Inc. Kicks Off at Riverview High School

Oakmont, PA. – To kick-off the 2016/2017 Program year, students from **Riverview High School** were recently introduced to The Challenge Program, Inc. during an orientation assembly at their school. The assembly theme was an Olympic trial that demonstrated the interview screening process to help students Qualify for Success.

Riverview High School’s business partner continuing their support for the 2016-2017 Program year is **Jendoco Construction Corporation**. During the assembly, students in the sophomore, junior, and senior classes were introduced to local career opportunities with **Jendoco Construction Corporation**. Throughout the year, they will be eligible to compete for financial awards in five areas linked with academic and workplace success: Attendance, Academic Improvement, Academic Excellence, STEM (science, technology, engineering, math) and Community Service.

The Challenge Program, Inc.’s mission is to build sustainable Business/Education partnerships while introducing students to careers in their communities. This partnership contributes to workforce and economic development by motivating students to develop the solid work habits required to succeed in school and in their future careers.
