Press Release

Riverview School District's Distinguished Alumni Announced!

The Riverview School District is proud to announce its Distinguished Alumni Class of 2013!

Each year for the past 4 years, the District has honored accomplished alumni by inducting them into its Distinguished Alumni Program. This year, eight alumni will be inducted during a ceremony that will be held on January 11th, at 6:00 PM, at the 10th Street Elementary School in Oakmont. The inductees include the 20th American woman to summit Mt. Everest, a leading ceramics artist, a retired FBI agent who is now a lawyer, two award-winning teachers and leaders in business in the areas of taxation, actuarial sciences and technology innovation.

The ceremony is planned and orchestrated by the students of Riverview's Jr/Sr High School, under the guidance of teachers, Barbara Stuart and Patsy Kvortek. All of the food is prepared and served by the students as well as having the invitations, decorations and individual displays of each inductee created by the students.

The highlight of the evening will be the acceptance speeches of the inductees. Those attend will hear how each inductee used their time at Riverview to set the stage for their future successes.

Please visit the District's website at www.rsd.k12.pa.us under the *Alumni* tab to view pictures and biographies of past inductees. Future inductees can be nominated by completing the Distinguished Alumni Nomination Form available under that tab also.
