Congratulations to the fifth grade Riverview students who participated in this year's History Bowl at the Heinz History Center. To qualify and participate in the event, students studied intensely over the last month as they learned the location of as many of the world's countries as possible. Their efforts served them well and resulted in many second and third place finishes! Job well done!

**The following fifth grade students earned a 2nd place award at the Heinz History Bowl:
Sofia Emanuele, Drew Hunter, Matthew Orbin , and Levi Roupas**

**The following fifth grade students tied with two other teams earning 3rd place awards:
