Jeremiah Lyons Receives Gene Kelly Scholarship

Congratulations to Riverview senior, Jeremiah Lyons, for being a recipient of the Pittsburgh CLO Ambassadors 2016 Gene Kelly Scholarship! Jeremiah was one of only six students who received this distinguished award. The award was given to him for his extensive tech/crew accomplishments on Riverview High School Musicals. CLO recognizes that theatre requires the dedication of all participants both on stage and behind the scenes. Jeremiah's talents have been shared and used over the past years during the District's Musical Productions. We are proud of his accomplishments and this well-deserved award!
