

Press Release:

Riverview Junior Senior High School Advanced Foods Class Students Reach Out to Show Appreciation to Local Law Enforcement

Students from Riverview's Consumer Science Class invited the Oakmont and Verona Police and Fire Departments to a luncheon, in their honor this week. The luncheon was held to recognize and give thanks to these local leaders for all they give and do for the Riverview School District. We decided we needed to reach out to the departments and do something in return for all the service they give to us. We contacted the local chiefs and invited them and their teams to a lunch together with the administrators for the district. One of the volunteers who attended the luncheon , was Joey Flanick, a 9th grade student at the High School.

The luncheon was enjoyed by all and local law enforcement officials expressed their appreciation of the recognition. Students made and served their guests a menu of French Onion Soup, followed by Ham, Scalloped Potatoes and Vegetables, topped off with Catie Berger's famous German Chocolate Cake and Coffee.

Each captain left the luncheon with a tasty hamper of cookies that were baked by the class so that the members could enjoy their treats throughout the Holiday Season.

The event was captured by Senior RVTV anchor Gabriella DiPietro and will be available to view on the school district website www.rsd.k12.pa.us in January.
