Press Release

Princeton Model United Nations Conference

Over the weekend of November 17 - 20, 2016, eight Riverview students participated in the annual Princeton Model United Nations Conference. The conference was an opportunity for over 900 students from five different countries to collaborate and discuss historical topics and current world issues. Riverview's team included Tyler Aber, Ben Brumbaugh, Nick McShea, Calvin Hogate, Liam Gaynor, Grace Ison, Sydney Reyes, and Patrick Scott. All members of the team were immersed in interesting scenarios to mimic past historical events such as the Chinese Civil War and Russian Revolution or asked to deal with current issues facing the diplomats of the world such as Cyber Terrorism and International criminals.

Two members of the RSD team received award recognition for their work at the conference.

Calvin Hogate - Third Place Honorable Delegate as the United States in NATO

Grace Ison - Third Place Honorable Delegate as Minister of Defense Antoni Macierewicz in the Polish Cabinet

Congratulations to the entire team for another great experience at PMUNC. The team has now earned six awards for the 2016-2017 season.
