**FOR IMMEDIATE RELEASE**

## Duquesne University Model UN

On Friday, January 27th, nineteen Riverview students participated in the annual Duquesne University Model United Nations. The Riverview team consisted of 13 freshmen, 5 sophomores and 1 junior. The young team was asked to use the day as a learning conference and build upon its experience as we prepare for future conferences. The team excelled in this role, becoming more comfortable with their negotiation and public speaking skills as the conference progressed. Members of the team were involved in many discussions and made proposals of solutions to issues facing our current world. We are pleased to report that Pat Scott was recognized with an individual award at the conference. Pat earned - **First Place Best Delegate Award as Kenya in the Human Rights Council**. Congratulations to the entire team on a great learning experience. The team is now looking forward to the Johns Hopkins Model United Nations Conference in February.
