## Verner Elementary Receives Donation

On November 18, 2016 the newly constructed Verona Giant Eagle GetGo Cafe & Fuel Station celebrated their Grand Opening. During the event, Giant Eagle Corporation's CEO Laura Karet welcomed the celebrity chef and Food Network's Michael Symon who emceed a hoagie-making competition between the Verona Chamber of Commerce and the Verona Police Department. The hoagie challenge was judged on speed, presentation and taste. The competition ended in a tie and both teams were awarded \$1500. After receiving their award, The Chamber Board voted to donate their winnings to Verner Elementary. The Riverview School District extends sincere gratitude to the Verona chamber for their kind and helpful donation! Monies will go towards new equipment for the Verner Playground! A special "Thank You" to Giant Eagle and the Verona Chamber of Commerce for all their support.

Academics. Arts. Athletics. Opportunities.

**SERIOUS  
SUCCESS**
