***National Girls and Women in Sports Day at Chatham University
Candace Ashbaugh, Molly Kennedy, Nicole Munion and Nikki Polens
Represent Riverview – Molly Kennedy Wins Spirit of Sports Award***

On Friday, March 11th, four Riverview Seniors represented the District at the 22nd Annual National Girls and Women in Sports Day at Chatham University. Head Girls Basketball Coach Keith Stitt and Athletic Director Bob Kariotis also proudly attended the event. These Riverview scholar-athletes were all nominated to attend the event based upon their athletic and academic excellence. Many WPIAL schools were invited to this prestigious event, and Riverview is proud to announce that Molly Kennedy was awarded the "Pat Blayden Spirit of Sports Award". The award is presented to a top female athlete based on her academic, athletic, community service and sportsmanship attributes. Molly received a beautiful medal and recognition at the banquet during the festivities. Congratulations to Molly, Candice, Nicole and Nikki as nominees for this event, and for the contributions they made during their careers at Riverview! Now that is SERIOUS Student Athlete SUCCESS!
