FOR IMMEDIATE RELEASE

Riverview High School Key Club Elves Deliver Letters From Santa!

Each year, many Riverview elementary school aged students take some time to write a letter to Santa. This year, members of the Riverview High School Key Club helped Santa out a bit and delivered his responses to the kids' letters. Known to many of the students as "one of their favorite days of the year", the Riverview High School Key Club members embraced every opportunity to mentor and celebrate with our elementary students while delivering the letters. Time was spent reading the letters from Santa, answering questions, singing songs and reading books as the teenagers and young children enjoyed the spirit of the holiday season together.

The Riverview Key Club would like to wish all of our school and community families a happy and healthy New Year and looks forward to continuing their tradition of service to others in 2018.

NOW THAT IS SERIOUS SERVICE SUCCESS!
