FOR IMMEDIATE RELEASE

Verner Elementary Student Council Students Host and Serve Community Dinner!

As a sign of gratitude to their community, students who are members of the Verner Elementary Student Council served a warm and delicious Community Dinner to their neighbors who live in Verona. Their teacher, Karla Bernard, shared that the dinner was such a huge success and that the event was sold out by 5:30 pm! We are proud that Verner Elementary students want to give back to their community through service! A very special "Thumbs Up" goes out to all involved. Verner students' efforts are making a difference!
